Grand Castle, Palace Grounds, Bengaluru

“ Welcome to  
**Cradle Point - Path to Parenthood**,  
a warm and supportive community  
dedicated to guiding you on  
your Path to Parenthood ”

---

# Welcome

Dear Participants,

Welcome to **Cradle Point - Path to Parenthood 2024** in the vibrant city of Bengaluru!

We are thrilled to have you join us for this special event dedicated to the beautiful journey of parenthood. Over the coming days, we will explore, learn, and share experiences that will enrich and support your path to becoming a parent.

Our program is designed to provide valuable insights, practical advice, and a supportive community. We have an exciting lineup of expert speakers, engaging workshops, and opportunities for meaningful connections.

Thank you for being here, and we look forward to embarking on this journey together.

Warm regards,  
Cradle Point Team

# The Event

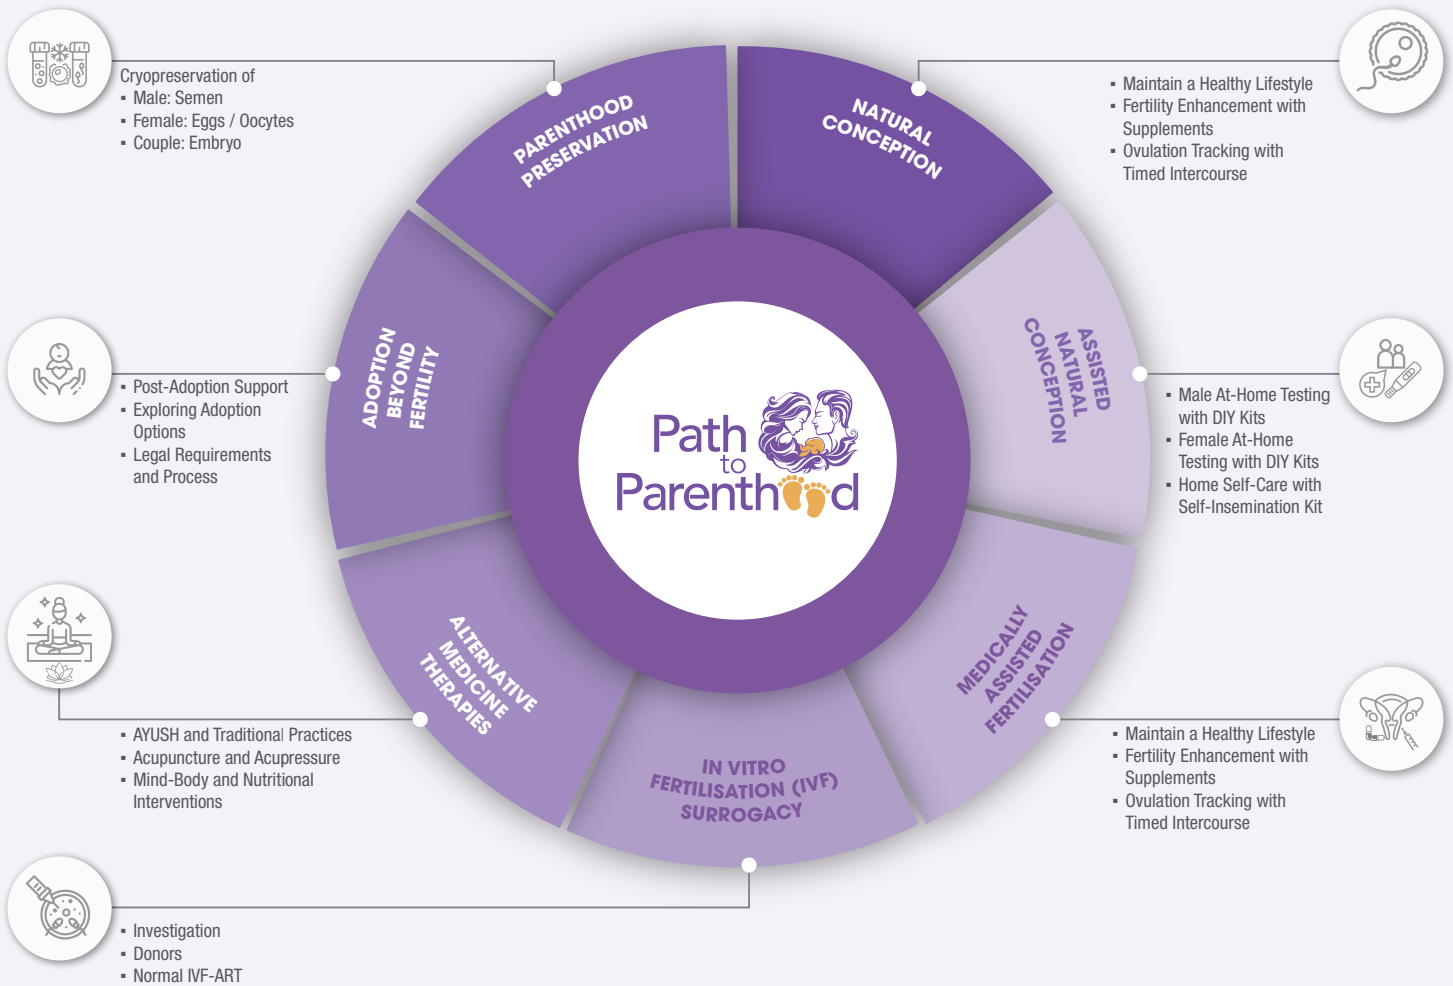

“ We Believe that on your path to parenthood, find hope through knowledge, strength in community, unity in advocacy, and inspiration to achieve your dream of a beautiful family. ”

Infertility is highly prevalent affecting nearly 15% - 20% of married couples in India.

Fertility experts find that men and women equally contribute to infertility, each accounting for 50% of cases.

60 million actively child seeking couples face infertility and less than 5% seek evaluation.

We understand the emotional and physical challenges of becoming parents. Path to Parenthood 2024 is designed to provide you with the support, knowledge, and community you need to navigate this path with confidence and hope.

# The Event Highlights

## Fertility Conclave:

Engage with leading fertility experts and hear from prominent speakers. Participate in panel discussions covering the latest in fertility treatments and holistic approaches.

## Private Consultation Pods:

Experience one-on-one consultations with top fertility specialists. Receive personalized advice tailored to your unique situation.

## Workshops and Demonstrations:

Attend interactive workshops on nutrition, mental well-being, and physical health. Explore DIY kits and fertility products through hands-on demos.

## Exhibition Zone:

Discover the latest in fertility technology and solutions. Connect with service providers and support networks.

Our goal is to offer you
